

We're Hiring

Graduate Landscape Architect

ASA Landscape Architects is looking for a Graduate Landscape Architect, to join our practice.

Our studio is based on Milton Park in Oxfordshire, and we are offering a full-time position where you will have the opportunity to work collaboratively on a range of projects from concept to construction as well as providing LVIA and Landscape Management support.

The right candidate will:

- Hold a post-graduate degree in Landscape Architecture with a minimum of one year's professional experience in the UK
- Be technically competent in AutoCAD
- Have strong graphic-design skills in Adobe Creative Suite
- Excellent verbal and visual communication skills
- A passion for Landscape Architecture and designing transformative places for people and nature.
- Looking to work towards their Pathway to Chartership
- Must have the legal right to live and work in the UK. We are currently unable to provide visa sponsorship.
- Valid UK drivers' licence

We are an equal opportunity employer, offering a supportive work environment, working with a team from diverse creative backgrounds. We can offer a highly varied range of projects and work-stages. We support all our staff with additional training and regular CPD sessions to achieve your personal goals and support flexible as well as hybrid working (with a minimum of 3 days a week in the office) as we value a balanced work/life approach.

In addition, we offer a competitive salary and private health insurance with a health and wellbeing package. We foster career growth through mentorship, including support towards achieving Chartership with the Landscape Institute. You'll also enjoy a vibrant workplace culture, with regular social events, activities, and networking opportunities at Milton Park.
